Transcriber's Office
FLOOR DEBATE

April 1, 2004 LB 1090

budget and budget-related bills. Mr. Clerk.

CLERK: Mr. President. LB 1090, discussed yesterday. Pending was an amendment by Senator Hartnett, AM3461. Senator Chambers had offered a priority motion, that being to bracket the bill until today, April 1, 2004.

SENATOR CUDABACK: Okay. Senator Chambers, you are recognized.

SENATOR CHAMBERS: Mr. President, members of the Legislature, I don't like my colleagues to become too complacent by falling into a routine of doing things without ever having their imagination tweaked so they might ask a question--what in the world is this all about? But when a motion is made and not disposed of, it must be disposed of. So if you vote for this motion that I have up there, we will bracket the bill until today. But in the interest of efficiency, Mr. President, since today has arrived, I will withdraw that motion.

SENATOR CUDABACK: Thank you, Senator Chambers. The motion is withdrawn. We now go to...we go back to discussion of AM3461. Senator Hartnett.

SENATOR HARTNETT: Mr. President, members of the body, I would simply withdraw my amendment, LB (sic) 3461, and file it again. So I'd like to withdraw my amendment at this time.

SENATOR CUDABACK: It is withdrawn. Mr. Clerk.

CLERK: Senator Beutler, AM3474.

SENATOR CUDABACK: Senator Beutler, on AM3474. (Legislative Journal page 1378.)

SENATOR BEUTLER: Mr. Clerk, I had put a floor amendment before the Clerk. Is that ready to be substituted?

CLERK: I don't have it yet, Senator. I'm working on it, but I don't physically have other than what you gave me in front of me.
